Absentee Bids

If you are unable to attend the auction in person and, after reading our Conditions of the Auction, you want us to bid for you on any item or items, following is the process:

1. Please list the item number(s) on a copy of the form below including the title of the artwork and the highest amount you are willing to pay for each piece. In the event of identical bids, the earliest received will take precedence.
2. On the day of the sale, our representative will try to purchase the item(s) you have indicated for the lowest price possible. Your highest bid will not be exceeded. The Western Art Association offers this service as a convenience to you but will not be held responsible for failure to execute bids or for any errors in executing bids.
3. You will be notified if you are successful and the amount of your purchase will be applied to your charge account. It is necessary to provide your credit card information prior to bidding. If you prefer to pay by check, credit card information is still initially required. If you are successful, artwork will be shipped upon credit card or check approval.
4. All sales are subject to the Conditions of Auction printed in the catalog.
5. All bids are kept in strict confidence.
6. Shipping costs are the responsibility of the Buyer.
7. Buyer is responsible for payment of a 10% buyers premium which is added to the full and final cost of the purchase item.
